

Online payment solutions for Asia-Pacific

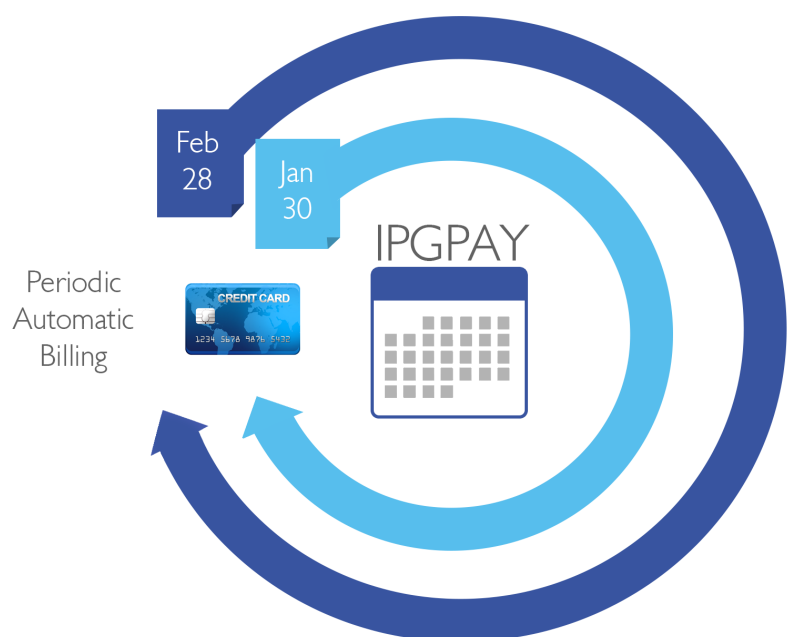

IPGPAY Recurring Payments

Make it simple, convenient and cost-effective for your customers to pay you

IPGPAY's fully automated recurring payment option can save you time, resources and money when it comes to managing your recurrent billing needs.

IPGPAY is the perfect solution for any business that accepts:

- ✓ Regular payments
- ✓ Subscription fees e.g. magazines or software
- ✓ Tuition or membership fees
- ✓ Storage fees
- ✓ Donations

Less administration • Improved customer experiences • Get paid faster • More reliable cash-flow

Recurrent payments with IPGPAY:

- Choice of payment frequency
- Payments can be initiated either by the merchant or automatically by the IPGPAY Gateway
- Full control of billings including ad hoc payments initiated by the merchant
- Instant upgrade and discount periods
- Real-time time transaction monitoring
- Option of automatically generating receipts and payment confirmations

BENEFITS

How recurrent payments with IPGPAY can:

Save time and money

Don't manually process and mail invoices, instead let IPGPAY do that for you automatically
Spend less time chasing outstanding payments
Spend time on new business generation and serving your customers not on payment paperwork

Grow cash flow

Reliable and timely payments

Improved customer experiences

Provide a fast and seamless payment experience to your customers
Allow customers to earn frequent flyer or loyalty miles while making payments to you
