

IPGPAY enables online card payments allowing you to set how often and how much clients pay- perfect for those instalment or direct debit payment plans.

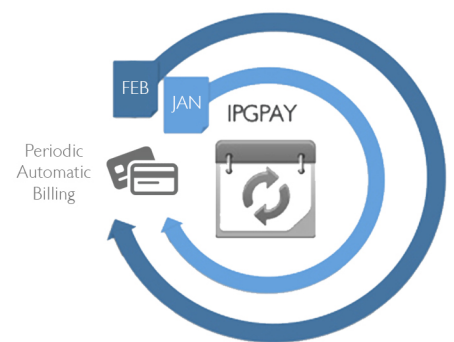

Our easy-to-integrate with payment gateway provides secure service 24/7 and transaction processing in over 40 currencies.

Choose from any of the following to enhance the customer experience:

Payment page customisation:  
your company look and feel from start to finish

Recurring payment facility:  
weekly or monthly automatic payment options

Virtual terminal:  
accept payments over the phone

Try our IPGPAY.link. solution which invoices via email;  
customers click on the link for instant payment,  
ensuring cashflow is captured quickly and securely.

IPGPAY is a leading online payment solution that is safe, simple and reliable.

Our gateway is easy to integrate with and offers free technical support.

While fully customised page layouts maintain your website look and feel, ensuring customers experience your brand, your way.
